NEW HAMPSHIRE TRIMS BOWDOIN

First Intercollegiate Dual Meet Since 1916

SCORE 67 2-3—57 1-3

Felker Wins Hundred—Melville Beats Savage in Quarter—O'Leary Wins from Capt. Cleaves in 880—Nightingale and Leath Win Distance Events

New Hampshire defeated the fast Bowdoin track team on the College Oval last Saturday afternoon, 67 2-3 to 57 1-3.

Felker started things going by defeating Holbrook in the 100-yard dash in fine style.

The mile run was rather a farce. Goodwin, Bowdoin's crack runner, didn't have a chance. Leath of New Hampshire won by inches over Capt. Nightingale.

In the first trials of the 120-yard high hurdles every man was disqualified so the second heat was the final and Stevens of New Hampshire took second.

The 440-yard run was a surprise. Savage, of Bowdoin, counted on as a sure winner, was beaten by Melville and O'Leary in the fastest race of the day. "Mel" let O'Leary and Savage fight it out until the last hundred-yard stretch when he breezed by O'Leary and Savage and won in the fastest time of the day. O'Leary was three yards behind and Savage ten.

For the first seven laps of the two-mile Billingham broke the wind with Nightingale running second, Leath third, and Goodwin fourth. At the beginning of the last lap Nightingale took the lead, Goodwin and Leath hugging close at his heels. At the final 220 mark Goodwin tried to pass Nightingale but was soon left some twenty yards behind. Leath's stomach went back on him but he gamely finished an easy third.

In the half mile O'Leary fooled Captain Cleaves of the Bowdoin team by trimming him in the prettiest race of the meet. Gove of New Hampshire with Cleaves and Hunt of Bowdoin led around until the last 220-yard stretch. Gove showed some pretty team work in this race. The Bowdoin runners tried to box O'Leary on the next to last straightaway. Cleaves and Hunt, both of Bowdoin, were running in the lead when O'Leary tried to pass them. He received a quick jolt back however, and was completely boxed. "Chris." then ran out around both the runners and although he lost about ten yards this way he outprinted Cleaves and finished several yards in the lead.

Referee Hahn asked New Hampshire if they wished to claim the points on account of this foul. Capt. Nightingale, however, refused to take advantage of this technicality.

In the 220-yard dash Felker lost by inches to Averill of Bowdoin, who came within a fifth of a second of the college record.

The 220 low hurdles was a walk-away for Bowdoin as she won all three places.

In the field events Andrews won the shot put with Batchelder and Sawyer second and third, cleaning up that event for New Hampshire.

Ellms of Bowdoin won the hammer closely followed by Sawyer and Cassillo of New Hampshire.

Sawyer showed the way in the discus.

Higgins of Bowdoin won the high jump followed closely by Mansell, who did much better than was expected, owing to the condition of his leg.

"Doc" Nute hoisted himself over ten feet in the pole vault, while everyone either prayed or cursed for him.

O'Leary took third in the broad jump, Parent and Postie taking first and second, respectively.

(Continued on Page Six.)

SET AUGUST 19th FOR FARMER'S WEEK

State Board of Agriculture to Hold Its Annual Meeting Here During Week—All Uniting for Success of Week

New Hampshire College has set aside the week of August 19 as a special occasion to be known as farmer's and home-maker's week and President Hetzel has just been informed by the State Board of Agriculture that that organization will make one day of this week the time for its annual meeting. Practically every agricultural organization in the state of New Hampshire has agreed to take an active part in making the farmer's and home-maker's week here a success.

For several years the college devoted one week to a short course for the farmers of the state. This year the work is to be broader and all state organizations interested in agriculture are invited to co-operate. The college does not expect either to confine the week exclusively to agriculture in that it expects and hopes for the attendance here at that time of business men and of all others interested in the general program and welfare of New Hampshire.

The week, it is hoped, will serve as a valuable educational factor in the agricultural and home-making pursuits of the state and the conferences which will be held at that time it is hoped will help define general policies and plans for the promotion of state interests.

The college hopes to make this meeting an annual affair and expects it will serve as a means of acquainting all who come with the nature and scope of the various agencies in the state and to suggest ways by which residents of New Hampshire can more greatly benefit from their services.

FRESHMEN DEFEAT THORNTON ACADEMY.

The Freshmen defeated the Thornton Academy baseball team Wednesday by a score of 8-6 on the college oval. The game was very loose, the visitors contributing ten errors and the Freshmen six. O'Rourke the opposing pitcher, had the "freshies" at his mercy holding them to two hits and six bagging strikeouts. The game was called in the seventh so that the visitors could catch the 6.08 train to Portland. Up to the sixth it looked bad for 1922 as Thornton led 5-3. In that inning, after Nute was thrown out, Osgood was hit by a pitched ball and stole second and third scoring on a wild pitch. Goggin drew a pass and went to second on the wild pitch. McDuffee popped to the pitcher and Marsh tripled, scoring Goggin. Bishop fanned, but when the catcher dropped the ball on the third strike, he reached first. Martin was safe when the first baseman missed the shortstop's throw. Hurd cleaned the bases with a single. Carpenter closed the inning by flying to right field. Marsh and Nute played well for the Freshmen and O'Rourke and Lamb for Thornton.

The score:

	1	2	3	4	5	6	7	
1922,		1	0	2	0	0	5	x—8
Thornton Acad.,	0	3	0	1	0	1	1	—6

SILVER BAY PAGEANT IN FRONT OF MORRILL HALL.

On Wednesday evening, April 30, the Silver Bay girls gave a Silver Bay Pageant on Morrill Hall lawn. Typical scenes were shown of a day at this conference, closing with the twilight "sing" out on the campus. Miss Irene Huse was the director of the music, and Mabel Smith, '19, was the reader.

Prof. J. H. Gourley has recently been appointed as editor in the horticultural section of the Botanical Abstracts Journal.

Top: Girls' Crew that built two sets of bleachers. Left Center: Girls and boys cleaning gully between "T." Hall and Library. Right Center: Pettie Creek changes its course. Bottom: Groups of men grading future location of board running track.

STUDENTS MAKE THIRD ANNUAL NEW HAMPSHIRE DAY A SUCCESS

More Than Twice As Many Projects Completed Than on Any Like Day Before

SPIRIT WONDERFUL

Men, Women, Faculty and Townspeople Give Every Effort to Push Forward the Various Improvements—Fine Chicken Dinner Served at Noon

The third annual "New Hampshire Day" was held last Monday and was by far the most successful of any of the celebrations of this sort, so far held. The spirit of the entire student body was pitched to the highest point of loyalty and this, together with the like spirit among the faculty, was resultant in making everything a success.

Professor Richard Whoriskey was in general charge of the preparations and half a dozen important projects were carried out. The most ambitious of these was the diverting of a stream of water from its present course to one more distant from the athletic field, making an expansion of the athletic field possible. This improvement was just begun today but will be completed on subsequent New Hampshire days and means eventually an extra practice football field and a new varsity baseball field with the outfield on made ground where there is now a willow covered swamp.

GIRLS DO MANUAL LABOR

Although the girls, for the most part, occupied themselves in preparing the mid-day meal, about thirty of them elected to do manual labor instead and labored with rake and shovel in the various enterprises. A crew of eighteen of them, under the direction of Mr. Batchelder of the wood working department, made two units of bleachers for the athletic field. All of these girls take wood working as one of their regular college subjects and are expert carpenters.

Prominent in the forefront of the battle were Professor Charles James, head of the chemistry department,

and Professor Henry Brinton of the University of Arizona, who is taking graduate work in chemistry here this year. Both of these gentlemen frantically shoveled loam making a new lawn in front of DeMerritt Hall, replacing that demolished by the troops last year, who used this part of the campus as a drill ground.

Professor J. H. Gourley, of the horticultural department, was in charge of a large gang of students, all men but one, Miss M. P. McDonagh, '22, of Concord, Mass., who having elected horticulture decided today to go to the whole road, was engaged in leveling the present athletic field from the track outward, the part most needing attention was that part traversed by the catcher in chase of the elusive foul tip. It will be as smooth as a billiard table hereafter.

Professor Hewitt, dean of engineering, lent his advice in all of the projects and Professor F. W. Taylor, dean of agriculture, took personal charge of the group of men who drained a field which will be given to the women as their own athletic field.

CLEAN UP GROUNDS

The grounds between Thompson Hall and the library, for many years grown up to thick underbrush, were cleared and the brush burnt by a gang of men and women students. This was a step towards preparing for the new park system which is to be laid out behind the principal row of college buildings.

At noon the girls of the home economics department, under the general supervision of Miss Madeline Pinkham, '19, of Dover, a senior in

(Continued on Page Five.)

PLAN GALA TIME FOR JUNIOR PROM

First House Parties Since 1916 on This Week

MANY VISITORS EXPECTED

Six Fraternities Holding Fraternity Dances—Glee Club Concert, Track Meet and Baseball Game On Schedule

The usual college recess for house party week and Junior Prom will begin next Thursday at 4.00 p. m. when college exercises will be suspended until Monday the 19th. The six fraternities on the campus are planning on merry times during house parties and many of the alumni, who have returned from military service, are planning to renew old acquaintances during the festivities.

Thursday evening the Men's Glee Club and the College orchestra will give a concert at the Gymnasium. The clubs are preparing for the occasion and they hope to be able to give a pleasing evening's entertainment.

TUFTS VS. BLUE AND WHITE

On Friday afternoon New Hampshire meets Tufts College in a dual track meet. The Blue and White has already beaten Bowdoin and is today working hard at the eastern intercollegiate meet at Springfield. Therefore New Hampshire has good reason to look forward to a close contest.

The annual Junior Prom, which last year was informal, and which was held before Christmas, will be formal according to the old customs of the college and will be held on Friday evening, May 16. Attractive dance orders of blue suede have been selected and the music will be furnished by Hick's Colored Jazz Orchestra of Boston for the concert and dancing. The patrons and patronesses for the "Prom" are to be Governor and Mrs. John H. Bartlett, President and Mrs. Ralph D. Hetzel, Dean and Mrs. Charles H. Pettie and Professor and Mrs. Charles L. Simmers.

The baseball team will play Colby College on the college oval Saturday afternoon. The Colby nine is a strong team and a fast game is expected.

On Saturday evening the various fraternities are to have their house dances and all are planning gala times.

RULES PUBLISHED

Rules for the entertainment of out-of-town guests have been published and all women guests are permitted to arrive Thursday. The college authorities have suggested that all should leave upon Sunday but if on account of train accommodations it is impossible, they will be permitted to remain until Monday forenoon.

The plans for the acme of social life at New Hampshire College are now near completion and all are expecting a "wonderful time."

CALENDAR OF EVENTS.

- May 10 Eastern Intercollegiate at Springfield, Mass. Movies in the Gym.
- May 12 Engineering Club Meeting in Gym. Agricultural Club.
- May 14 Baseball, Bowdoin at Durham.
- May 15 Men's Glee Club in Gym. Junior Prom and House Parties begin Thursday evening, May 15, and close 2.30 p. m., May 18.
- May 16 Track Meet. Tufts at college oval.
- May 17 New Hampshire vs. Colby baseball.
- May 18 House Parties.
- May 19 Agricultural Club.
- May 20 Baseball, Boston College at Boston.
- May 21 Reserved for Mr. Hetzel and Senior Girls.
- May 23 Baseball, Lowell Textile at Lowell. Delta Kappa Dance.
- May 24 New England's at Boston. Y. W. C. A. Social in Gym, for men and women students.

"NEW HAMPSHIRE" NOTICE.

Next week's issue of the New Hampshire will be a special six-page House Party edition. It will be issued on Friday, May 16. Extra copies may be had at the New Hampshire Office at the rate of five cents per copy.

MOTHER'S DAY.

Mother's Day—no student here at college ought not to hear those precious words without feeling a surge of affection within his or her breast. "Mother"—how magic like that word sounds. Think of all that "mother" has suffered that we might live to be men and women. Are we then to forget her tomorrow?

Remember then, tomorrow, to write home—and perhaps some of us have not done this little thing for some time. Perhaps some of us have had an excuse, still more, none.

Then too, let us pay a silent tribute to mother. Let us wear a white carnation and when wearing it, realize its significance.

Remember, "mother" is your best friend. You, are her pride and joy. Let her know that you, are ever thinking of her.

HOW ABOUT YOU?

All discharged soldiers and sailors should be advised to keep up the payment of the premiums due on their War Risk Insurance, applied for while in the military service.

Within a short time those who have kept up such payments will be permitted to convert their present insurance to other forms without another physical examination. Any discharged soldier, who has permitted his insurance to lapse, should correspond with or call at the office of Captain T. J. Johnston, Department Insurance Officer, Headquarters Northeastern Department, Room 717, 99 Chauncey Street, Boston, Mass., as soon as possible, as it is not yet too late to be reinstated. Information may also be obtained there with reference to the new kinds of insurance to be issued and the premium rates therefor. In writing, in addition to asking the information desired, the person should indicate the date of his discharge and whether he has paid any premiums since such discharge.

The officer above mentioned will also be pleased to assist the allottee of soldiers in cases where allotments and government allowances are not being received.

SHOW GOOD EXAMPLE OF GENUINE COLLEGE SPIRIT.

Had it not been for the college spirit of A. F. Davis, '20 and C. C. Morrison, '22, New Hampshire might not have fared so well in her meet last Saturday. These men came into the varsity room just before the meet removed their coats and set to work rubbing the entire team, a thing which the team would otherwise had to have gone without. They have the thanks of the entire track team for the spirit shown in this matter.

It's time a good many of the freshmen woke up to the fact that there

are a good many things around here that they could easily do if they cared to show good spirit. Let the work of these two men be but a start and in the future let's have some men out to rub the runners down. This not only applies to the night of meet but every night.

SIGNIFICANT VICTORY.

New Hampshire's victory over Bowdoin last Saturday shows what a well balanced track team the Blue and White has. The defeat of Bowdoin was decisive and clean. The victory was not entirely expected owing to Bowdoin's well known strength. But by this decisive win New Hampshire has shown that today at the Eastern Intercollegiate at Springfield, Mass., she will be a strong contender for top honors.

NEW HAMPSHIRE MAY HAVE BIG GERMAN WAR TROPHY.

The R. O. T. C. District that New Hampshire is in is now leading the country in fifth Liberty Bond purchases. More than \$686,500 worth have been purchased to date. New Hampshire stands near the top for the per capita prize which will probably be some German war trophy.

Members of faculty, members of the student body, or their family, and all other college people count in on this contest. All students, whose families have purchased Bonds, are asked to report amount and names at the commandant's office so that proper credit may be obtained. This will not take credit away from the towns. It is merely for New Hampshire R. O. T. C. records.

If you have bought a bond and not reported it let the commandant know at once.

ALPHA ZETA INITIATES AMUSE FELLOW STUDENTS.

The following men from the Agricultural division of the 1921 class have been pledged to Alpha Zeta: Alden S. Morrill, Howard T. Woodward, Ralph N. Johnson, Walter W. Wiggin, Harold G. French, Frederick L. Torrey, George E. Wooster.

Following their pledging, the boys appeared in suits of white for two days making themselves rather apparent wherever seen on the campus. Just before chapel, one of the registered Jerseys from the college herd was milked with all due ceremony by two of the newly pledged men.

At the track meet, one of the students had a sheep to look after, while a clucking hen was led around by another.

It is rumored that others are making early morning visits to the dairy barn, learning the fine points of dairying, under the kind tutelage of college herdsmen.

NEW HAMPSHIRE DAY NOTES.

"Johnny" Durgin and his carpenterelles built a couple of bleachers. Funny how "Knight" worked near the carpenterelles.

The orchestra made good "K. P's." Notice how long Andy leaned on that rake in front of DeMerritt? Quite a question.

Ice cream was served "a la cart" in the afternoon.

Notice "Ducker's" speed in the morning and in the afternoon.

"Lucy" shoveled for a while? ? ? "Doc" Nute had a hard job setting up wickets.

Felker would make a good man with the plow.

Wonder where Carpenter left his white jeans Monday.

"Kyke" Westover ran a jitney in the afternoon.

Notice how many of the commuters took the 2.04 train. Pretty poor college spirit.

Ethel Kelleher showed the value of being a farmerette.

"Smiles" paraded around with a rake anyway.

"Dick" was around with his smile for everyone.

The King certainly showed some college spirit.

Dean Hewitt was here, there and everywhere, all day long.

"Charlie" Murthur was seen resting a "few" minutes on Smith Hall steps.

Among the various improvements accomplished "New Hampshire Day" was the cleaning of the commandant's "car." Major Halls and Sergt. Wolfe carried on the offensive and the car was soon spick and span.

R. O. T. C. NOTES.

The R. O. T. C. men have been thinking. They have thought constructively and have amended their ways. The mixed uniform is fast disappearing from the campus and the men are to be congratulated on their action.

There is to be a camp this summer for all members of the R. O. T. C. which will be held at Camp Devens. The training will be beneficial to all those who can attend. Several members of our unit are considering the possibilities of attendance and the following have already signed up to go: John G. True, '21, George J. Rowe, Norman E. Meras, '22, Norman A. Warner, '22.

The faculty have taken up the fallen gauntlet. They have read the challenge and are already on the range preparing for the shoot which will take place as soon as a team can be chosen to represent the R. O. T. C.

The following company orders have been issued:

Co. "C" 1st Battalion, N. H. Regiment
April 30, 1919

Co. Orders No. 2.

Sergeant (Cadet) Cook, A. S., to be 1st Sergeant; vice 1st Sergeant Ajemian, discharged for the convenience of the R. O. T. C. to accept a commission in the R. O. T. C.

Chester A. Scammon,
Captain R. O. T. C.

Co. B, 1st Battalion, N. H. Regiment,
April 30, 1919.

Co. Orders, No. 2.

Sergeant (Cadet) Boutwell, L., to be 1st Sergeant vice 1st Sergeant (Cadet) Shepherd, discharged for the convenience of the R. O. T. C. to accept a commission in the R. O. T. C.
Chris. J. O'Leary, Jr.,
Captain, R. O. T. C.

The following appointments have been made for the R. O. T. C.:

Durham, N. H. April 30, 1919.
Special Orders No. 9.

1. 2nd Lieut. (Cadet) Guy E. Plaisted is appointed 1st Lieut. (Cadet) and assigned to Co. "B."

2. Roland S. Coker is appointed 1st Lieut. (Cadet) and assigned to Co. "A."

William E. Knox is appointed 2nd Lieut. (Cadet) and assigned to Co. "A."

3. Charles W. Shepherd is appointed 2nd Lieut. (Cadet) and assigned to Co. "B."

4. Loren L. Ajemian is appointed 2nd Lieut. (Cadet) and assigned to Co. "C."

5. George McKenzie is appointed 2nd Lieut. (Cadet) and assigned to this unit.

7. Upon the recommendation of the Company Commander the following appointments are made in Co. "D." of the battalion:

Corporal (Cadet) Sawyer, R. C., to be Sergeant.

Corporal (Cadet) Weston, G. W., to be Sergeant.

Private (Cadet) Osgood, P. S., to be Sergeant.

Private (Cadet) Watkins, R. E., to be Corporal.

Private (Cadet) Partington, C., to be Corporal.

8. Upon the recommendation of the Company Commander, the following appointments are made in Co. "B." of the Battalion:

Corporal (Cadet) Bishop, F. E., to be Sergeant.

Corporal (Cadet) Wooster, G. E., to be Sergeant.

Corporal (Cadet) Goold, W. J., to be Sergeant.

Private (Cadet) True, J. T., to be Corporal.

Private (Cadet) Currier, P. H., to be Corporal.

Private (Cadet) Weldon, R. S., to be Corporal.

9. Upon the recommendation of the Company Commander, the following appointments are made in Co. "C" of the Battalion:

Corporal (Cadet) Bearse, N. J., to be Sergeant.

Private (Cadet) Torrey, F. L., to be Sergeant.

Private (Cadet) French, J. E., to be Corporal.

10. Upon the recommendation of the Company Commander, the following appointments are made in Co. "C" of the Battalion:

Corporal (Cadet) Casillo, N. R., to be Sergeant.

Corporal (Cadet) Kurtz, M., to be Sergeant.

Corporal (Cadet) Dresser, D. S., to be Sergeant.

ANNOUNCEMENT.

This supplement represents the final attempt of the New Hampshire War Records Committee to obtain correct information regarding New Hampshire College men who have been in the service. The alumni should take an active part in the helping to make these final records as correct as possible. Each alumnus is urged to take this supplement, read it over, and send in corrections or additions. It is only by such a co-operative method as this that the desired results can ever be attained.

The "New Hampshire" is co-operating with the War Records Committee in this work. The editor realizes that many errors must exist, due mostly perhaps to the lack of willingness on the part of the alumni and others to keep the War Records Committee informed of promotions, etc. Therefore the editor desires that all corrections be immediately forwarded to: The Alumni Editor, The New Hampshire, Durham, N. H.

COLONEL HUNT, '99, VISITS COLLEGE

Hopes to See Lively 20th Anniversary Reunion of 1899 Class—"Doc" Bell also Visits Durham—Other Notes

Colonel W. E. Hunt, '99, visited college New Hampshire Day. He is in the Inspector General's Department with headquarters at Washington.

Harry Barnard, '99, who has been food administrator for the state of Indiana, met Colonel Hunt recently in Indianapolis. Both are anxious to see the completion of plans for a 20th anniversary reunion of the '99 class here in Durham next June.

W. E. Murchie, '07, who was a major in the army, has returned to his business in Indianapolis.

B. L. Wagner, 2-yr. '18, "Heinie," was in Durham Saturday. He has been discharged from the navy at Boston.

Lieut. E. L. Bell, Jr., '18, visited Durham one day this week. He landed in the states ten days ago and has discharged at Camp Devens 650 men, who were under his command. He has returned to Ayer, Mass., where he hopes to get a fifteen days' leave in order to come back to Durham for house party week.

Roger Pentland, '20, who has been commissioned Second Lieutenant in the service, has returned to his home in Nashua.

Lieut. H. C. Atkins, '18, is due to arrive in this country about June 1st, according to latest news passed by the censor.

R. D. Brackett, '18, has arranged to have his baseball nine from Gordon Seminary play the New Hampshire College freshman nine next Thursday afternoon, the first day of the house party.

Edith Donnelly, '12, who was in Durham Saturday, attended the Chi Omega dance.

Conda J. Ham, former registrar, wrote to the "New Hampshire" this week and complimented the track team on its victory over Bowdoin last Saturday. Mr. Ham also said that he would have liked to have been here "New Hampshire Day" and would have enjoyed working with the students.

H. A. Smith, 2-yr. '16, has received his discharge from the 26th division. "Art." was with the 103rd Inf. and was gassed while over there. He saw "Jack" Powers the night before he was killed and says that Jack and he had a good time "filling up" on doughnuts on that same night. He has not yet decided what he is going to do but thinks that he will eventually go back to farming.

Albert Brailsford, 2-yr. '14, has received his discharge from the 101st Engineers and says that the height of his ambition is to stay a "high private in civilian clothes." Brailsford was but a few yards away from Ralph Shirley, '19, when he was killed. He himself, was gassed by the same bomb that killed Shirley. He says that nothing was ever heard or seen of Soper, '20, after the bomb exploded in the dugout in which Soper and his pals were caught.

Guy Thayer, ex-'20, was in Durham for a couple of days this week. He has received his discharge from the service and probably will re-enter college next fall. Thayer took several flights with "Walt." Reed when both were stationed in Germany.

Helen Bugbee, '17, who is teaching in Raymond, N. H., attended the Chi Omega dance Saturday night.

Marian Chadwick, ex-'20, is taking a physical training course at Posse in Boston. She is a member of the honorary fraternity, Kappa Psi Delta. Marjorie Boomer, who is teaching mathematics in Rochester High school, was in Durham Saturday.

Alice Fernald, '17, is teaching mathematics in Irvington, N. Y.

Hazel Moore, ex-'20, is president of her class at Keene Normal School.

At the movies tonight a collection will be taken. This collection will be used to defray the expense of operating the movies, and any surplus received at this time will be used to make partial payment on the remainder of the coal bill for the Y hut.

STUDENTS MAKE THIRD ANNUAL NEW HAMPSHIRE DAY A SUCCESS.

Continued from Page One.)

that department, served a dandy chicken dinner to all of the students at the college mess hall.

On last New Hampshire Day, the college gymnasium was used as a dining room but this was impossible this year as a crowd of students were busily engaged in laying a new hardwood floor. This was one of the several New Hampshire day projects.

Many of the Durham townspeople contributed, free of charge, teams and horses with which to do the teaming and trucking and tools for grading. The New Hampshire Day committee wishes to thank the following for their interest and aid: For use of tools, Daniel Chesley. For use of teams, Lord and Allen, James S. Chamberlain, W. T. Phair, Millard Jones, F. W. Morrison, Lester Langley, F. E. Davis, William Sanders, Geo. Hoitt, Dean C. H. Pettee, L. J. Batchelder, David Fogg. New Hampshire College, Farm Dept., 3 teams, (double.) New Hampshire College, Horticultural Dept., 1 double team and 1 single team. New Hampshire College Fower and Serivce, auto COMPLETE TENNIS COURT

Another long-wished for project was completed when the crew of tired laborers straightened their backs and announced that the girls' tennis court in the rear of Smith Hall was resurfaced.

During the afternoon several men were sent out to re-whitewash the Granite made New Hampshire College sign which was laid last New Hampshire day. This is situated so that it can be plainly seen from all western division Boston and Portland trains.

A group of co-eds under the direction of Mr. L. J. Batchelder built two sets of bleachers. They easily finished their work by the end of the afternoon. No casualties were reported. One of the girls, who naturally left-handed, was hammering with the hammer in her left hand when she decided to shift hands, a stunt which she succeeded in doing without missing a stroke. Mr. Batchelder said that there were very few men in college that could do such a stunt.

One of the very much appreciated things that was done was the leveling and filling in of the present men's athletic field. This work was in charge of Prof. Gourley. The west end of the field was leveled and the dirt used as a filler around the inside of the track pole. With this accomplished a catcher may easily run after fouls and not worry about his footing. Fifty young poplars were planted on the northwest corner of the track by "Ben" Proud and "Kyke" Westover. When these trees grow up they will serve as a shield against the sight of the old railroad buildings.

The future location of the girls' athletic field was drained by several groups of students under "Pa" Taylor. The drains were connected with the sewer in the center of the field and the next day the field was plowed. It will now be harrowed, leveled and grass seed planted. Next fall when college re-opens the girls' playground will be ready for use.

DIVERT BROOK

Perhaps the most difficult project which was started was the diverting of the brook in the rear of the gymnasium so that the swamp could be drained. In the near future a bluegrass baseball diamond will be laid out, which it is hoped will incite the envy of other New England colleges.

In doing this work the men are making about two cuts each about thirty feet long, four feet wide and in some places seven or eight feet deep.

The leveling and grading of the future location of the board track was completed by several of the groups under the supervision of Coach Cowell. This track will be laid this coming summer and will be in readiness for the runners when they return in the fall. It will fill one of New Hampshire's long felt wants.

SET ENGINE

A foundation for a new Murray Corliss Test Steam Engine was completed by the junior and senior engineers in the mechanical engineering laboratory of DeMerritt Hall.

The boys got an early start and soon the cement mixing machine was chugging full blast. Barrow after barrow of live cement was floated into

NEW HAMPSHIRE LOSES TO MAINE

Ninth Inning Rally Not Sufficient to Overcome Lead of Visitors—Score 4-3

New Hampshire College lost to the University of Maine team last Friday at the college oval, 4-3. The outcome was uncertain until "Bill" Shuttleworth struck out in the ninth with two on. Maine got their runs early in the game, getting two in the first on two hits, an error and an infield out, and two more in the fourth in almost the same manner.

NINTH INNING RALLY

In the eighth Rumazza opened the inning for New Hampshire with a fine triple and soon scored. In the ninth Lorden singled, went to second on Jenness' infield out and scored on Smith's hit after Butler's strike out. Harris reached first on an error, Smith staying at second. Davis was now replaced by Shuttleworth at bat. With three called balls, Bill let the next one go by for a strike. He then threw his bat at the following one, the bat going towards the Maine bench, with two and three, the Maine pitcher grooved the next one for the third strike and the game was over. Ziegler pitched a clever game for the visitors and Wyer excelled in the hitting. Lorden, Broderick and Davis played well for New Hampshire.

The summary:	
Maine	
	ab r h po a e
Wood, l. f.,	4 1 1 2 0 0
Sargent, 3b.,	4 1 0 0 2 0

Score by innings	
Maine,	2 0 0 2 0 0 0 0—4
N. H.,	0 0 0 1 0 0 1 1—3
Stolen bases: Wood, Sargent, Lowry, Butler. Two base hits: Wyer, Small. Three base hits: Rumazza. Struck out, by Ziegler, 12; by Anderson, 2. Base on balls by Anderson, 1; by Ziegler, 1. Umpire, "Pa" Taylor. Attendance, 300.	

the forms under the supervision of E. E. Bartlett, '19, and W. E. Nudd, '19.

A crew under Ham Rumrill set up wire around the new lawn just seeded to keep wayward feet from accidentally treading thereon.

Between "T" hall and the library an eyesore was eradicated. Prof. Hepler was in charge of the work although "Cec" Morrison made most of the noise. The brush was cut out and the whole ravine was cleared up well. A poor little toad delayed the offensive for a short time. (Apologies to Miss Whipple.)

Prof. James had a crew of boys and one of co-eds and they leveled the parade ground used by the National Army last summer, in front of DeMerritt Hall and made it ready for rolling and seeding. "Speck" kept the rake handle well lubricated.

FRESHMAN CLASS ELECT EXECUTIVE COMMITTEE.

The freshman class held a meeting May at 7.00 o'clock in the evening at which a committee consisting of Dorothy Davis, Martha Higgins, Irving Doolittle, and Roscoe Northy, was elected to collect the New Hampshire Day money from the class. Robert Sawyer, Edson Bailey and Marjorie McGoff were elected members of the class executive committee.

"The Ivory Snuff Box," an international mystery story, was shown at the Gym last Saturday evening.

MUSICAL TRIO AT LECTURE COURSE

Philharmonic Trio of Boston Furnish Fine Entertainment—Audience Well Pleased with Program

The entertainment at the fifth number of the lecture course Wednesday evening, May 7, was furnished by the Boston Philharmonic Trio consisting of Hazel Clark, violin; Mildred Ridley, 'cello; and James Ecker, piano. The trio was assisted by Elsie Thiede, soprano.

This concert was considered one of the best musical programs ever offered at the college. Miss Thiede possessed a sweet, true voice, and her singing gave evidence of long cultivation and skillful control of her tones.

The 'cellist, Miss Ridley, was pleasing particularly in her second selection. Miss Clark's technique was excellent and she possessed great variety of expression. During the concert Mr. Ecker's unassertive ability was not unappreciated and the audience requested him to give a solo. Mr. Ecker responded to this unexpected call by rendering Chopin's "Fantasie Impromptue." His encore was the well known and stately "Prelude in C Minor" by Rachmaninoff which he played in a most impressive manner.

The ensemble work of the trio was effective especially in "Liebestraume" and "Espana." The large and responsive audience proved the popularity of musical numbers of the lecture course.

The program:
Trio, Two movements from the D minor trio, Mendelssohn
Soprano, Le Saran Rose, Ardit
Violin, Intermezzo from the Jewels of the Madonna, Wolf-Ferrari
Valse Bluette, Drigo
Scherzo, Sitt
Trio, Liebestraume, Liszt
Serenade, Herbert
'Cello, Cantilena, Gotterman
Elftanz, Popper
Soprano, Chanson Provencale, Del Acqua

The Linnet is Tuning Her Flute, Bauer
Awake My Heart with Gladness, Densmore
Trio, Espana, Chabrier

COMMENCEMENT PERIOD SCHEDULE ANNOUNCED.

The commencement period schedule has just been announced and differs from that of former years in bringing commencement itself one day earlier in the week. This year commencement comes Tuesday, June 17. The commencement exercises will open with an alumni reunion in Durham, Saturday, June 14, and every effort is being made to have this the greatest gathering of alumni the college has ever seen. Sunday, there will be the baccalaureate sermon and memorial service for those who died in the war and Monday, the 16th, is class day.

INFORMAL AT "T" HALL IS WELL ATTENDED.

The informal dance held in Thompson Hall, May 2, was well attended. The college orchestra furnished the music. The chaperones were Professor and Mrs. J. M. Marceau, and Dr. and Mrs. M. K. McKay.

Overheard in Free Hand Drawing. Instructor: "In order to draw your lines straight your mind must be clear and firm. You— your thought trembled when you drew that line." Student (disgustedly): "And me thinking it was my hand that shook."

N. H. TRIMS BOWDOIN.

(Continued from Page One.)

The summary:
100-yard dash: Won by Felker, (N. H.); Holbrook, (B.) second; Averill, (B.) third. Time, 10 2-5 seconds.

One mile run: Won by Leath, (N. H.); Nightingale, (N. H.), second; Goodwin, (B) third. Time, 4 m. 51 2-5 seconds.

120-yard high hurdles: Won by Thompson, (B); Stevens, (N. H.) second; third man disqualified. Time, 17 seconds.

440-yard dash: Won by Melville, (N. H.); O'Leary, (N. H.) second; Savage, (B.) third. Time 54 1-5 seconds.

Two mile run: Won by Nightingale, (N. H.); Goodwin, (B.) second; Leath, (N. H.) third. Time, 10 m. 25 3-5 seconds.

880-yard run: Won by O'Leary, (N. H.); Cleaves, (B.) second; Hunt, (B.)

third. Time, 2 m. 6 4-5 seconds.

220-yard dash: Won by Averill, (B.); Felker, (N. H.) second; Holbrook, (B.) third. Time, 22 4-5 seconds.

220-yard low hurdles: Won by Foulke, (B.); Savage, (B.) second; Parent, (B.) third. Time, 29 seconds.

FIELD EVENTS

Shot put: Won by Andrews, (N. H.); Batchelder, (N. H.) second; Sawyer, (N. H.) third. Distance, 36.3-5 feet.

Hammer throw: Won by Ellms, (B.); Sawyer, (N. H.) second; Cassillo, (N. H.) third. Distance 119 1/4 feet.

Discus throw: Won by Sawyer, (N. H.); Ellms, (B.) second; Andrews, (N. H.) third. Distance, 105.8 feet.

High jump: Won by Higgins, (B.); Mansell, (N. H.) second; Stevens, (N. H.) third. Height, 5.6 feet.

Pole vault: Won by Nute, (N. H.); Cook, (B.) second; tie for third between Brown (N. H.), Cree (N. H.), and Cole (B.) Height, 10 feet.

Broad jump: Won by Parent, (B.); Dostie, (B.), second; O'Leary, (N. H.) third. Distance, 20.6 1/2 feet.

CHI OMEGA HOLDS ANNUAL DANCE

Chi Omega fraternity entertained at a dinner dance from six to eleven o'clock, Saturday evening, May 3, at Thompson Hall. About forty couples were present including several alumni, and delegates from Jackson and Colby colleges.

Palms, potted plants, crepe paper, lanterns, and parasols transformed the hall into a veritable Japanese garden.

Music was furnished by Doolittle's orchestra.

The patrons and patronesses of the dance were, Dr. and Mrs. M. O'K. McKay, Mrs. Elizabeth DeMeritt, Miss Elizabeth Sawyer of Dover, Mrs. Frances Fairchild and Mr. and Mrs. J. Chamberlain.

The following guests were present: Messrs. Hoffman, Taylor, Plaisted, Rogers, Howes, Davis, Simonds, Crosby, Moody, Huse, Barker, Ackerman, Page, Marsh, Flanders, Lorden, W. R. Hill, A. F. Vose, Davis, Werkinthin, Ladd, Greer, Greenfield, W. E. Rogers, Mathes and Garland.

DR. MCKAY GIVES RESUME OF THESIS AT ECONOMICS CLUB.

At the last meeting of the Economics Club Dr. McKay gave a very interesting summary of his recently written thesis entitled, "The Statutes of Forest Taxation in the United States." The subject of taxation was thoroughly discussed but special emphasis was placed upon the need for classification of taxable property, particularly in regard to forest lands.

The thesis was written by Prof. McKay last year and it was upon its merits that he was awarded the degree of Doctor of Philosophy by Harvard University.

THREE STRINGS

To the bow of Granite Monthly agents. New Hampshire College students, who will have some free time this summer, should address H. C. Pearson, Publisher, Concord, N. H., for particulars of his offer.

FIRE IN MORRILL HALL CAUSES GREAT EXCITEMENT.

Fire in the basement of Morrill Hall was the cause of the sounding of the alarm last Tuesday noon. Mr. Wolff and Mr. Richards, who were in the building at the time, and who gave the alarm, discovered the blaze in the janitor's room, in which was stored much baled paper. At first, the flames assumed rather serious proportions, as the paper made ready material, and the thick, acrid smoke which poured from the building made things look worse than they really were. A score or more of students were soon on the job, and with the aid of two large streams and one chemical line, soon had the fire under control, not, however, until the room was generally wrecked. The fire broke through one portion of the ceiling, but the cement floor and brick walls prevented a further spread.

The cause of the blaze is unknown, but it is thought to have started either from spontaneous combustion or rats and matches. Luckily it occurred in the daytime when it was readily discovered and extinguished. Had it come in the night, the results would have been far more disastrous. As it is, the loss will not amount to more than \$50, and this is confined to the paper, window glass, and that portion of the ceiling which was burned away.
